

April 2019 Bus Service Changes – South Yorkshire Passenger Transport

What is changing?

A summary of the notable changes are listed below with the date these will take place:

Mon 01 April

- Service 61/62 (Hillsborough – Bradfield) is diverted for two weeks to provide the only daytime bus service in Worrall village whilst highway resurfacing works take place. More details will be provide direct to the local ward councillors.

Weekend of the 6/7 and 8 April

- Service X6 (Sheffield – AMP - Hellaby – Iport – DSA) is introduced with SYPTE pump prime funding to provide an hourly service linking employment sites at the AMP, Iport and Doncaster Sheffield Airport. This service replaces service 737 and partially replaces service 74a, with changes to service A1 from the end of April.
- Service X17 (Chesterfield – Sheffield – Meadowhall – Barnsley) has additional trips provided to improve access to employment at Meadowhall.

Weekend of 19/20 April

- Tram engineering works at Hillsborough start with local bus diversions and tram replacement services. More details will be provide direct to the local ward councillors.

Weekend of 27/28 April

- Service 57/59/59a – renumbering of some journeys as 59a to improve customer understanding of service destination.
- Service 2, X2 and 66 – changes to services to improve access to employment and hospitals following public consultation. Service 2, X2 will replace some journeys on service 66 in Hoyland and is extended in Sheffield to serve the Hallamshire Hospital.
- Service 27/27a/27b – minor timetable changes to improve punctuality of the service
- Service 28 – route change in West Yorkshire to improve punctuality and journey times, benefiting Barnsley residents.
- Service 22a/22c and 135a – minor timetable changes to remove stand clashes at Rotherham Interchange
- Service 74/74a – service amended following the introduction of service X6 at the start of April. Will operate as service 74 only. Half hourly between Rotherham and Brinsworth with one per hour to Sheffield. No direct link from Rotherham to Sheffield Business Park provided.
- Service X54 – route amended to cover service 74a, following the introduction of service X6, between Waverley and Handsworth and maintain the level of service for residents.
- Service A1 – route amended following the introduction of service X6 at the start of April with Mon-Fri daytime journeys extended to Sheffield via Parkway Markets and Parkway Central. New Brinsworth Road also covered following the removal of service 74a.

How is this being communicated to customers?

Details and new timetables will be available on the website

<http://www.travelsouthyorkshire.com/Servicechanges/> approximately three weeks before the changes come into effect. Timetable information will also be displayed on all affected bus stops ahead of the changes.
